Power Solutions International to Report Second Quarter 2016 Financial Results on Thursday, August 4th

Conference Call to Follow at 4:30 p.m. ET

WOOD DALE, Ill., July 21, 2016 (GLOBE NEWSWIRE) -- Power Solutions International, Inc. (Nasdaq:PSIX) announced today that it will release financial results for the second quarter 2016 after the market close on Thursday, August 4, 2016. An investor conference call will follow at 4:30 p.m. ET/3:30 p.m. CT. The call will be hosted by Gary Winemaster, Chief Executive Officer and Michael Lewis, Chief Financial Officer.

Investors in the U.S. interested in participating in the call should dial +1 (888) 204-4517 and reference passcode 4686148. Those calling from outside the U.S. should dial +1 (913) 312-4373 and reference the same passcode 4686148. A telephone replay will be available approximately two hours after the call concludes through August 18, 2016 by dialing +1 (877) 870-5176 from the U.S. or +1 (858) 384-5517 from international locations, with passcode 4686148.

A simultaneous live webcast will be available on the Investor Relations section of the Company's website at www.psiengines.com. The webcast will be archived on the website for one year.

About Power Solutions International, Inc.

Power Solutions International, Inc. (PSI or the Company) is a leader in the design, engineer and manufacture of emissions-certified, alternative-fuel power systems. PSI provides integrated turnkey solutions to leading global original equipment manufacturers in the industrial and on-road markets. The Company's unique in-house design, prototyping, engineering and testing capacities allow PSI to customize clean, high-performance engines that run on a wide variety of fuels, including natural gas, propane, biogas, gasoline and diesel.

PSI develops and delivers complete industrial power systems that are used worldwide in stationary and mobile power generation applications supporting standby, prime, and Co-generation power (CHP) applications; mobile industrial applications that include forklifts, aerial lifts, industrial sweepers, aircraft ground support, arbor, agricultural and construction equipment. In addition, PSI develops and delivers power systems purpose built for the Class 3 through Class 7 medium duty trucks and buses for the North American and Asian markets. For more information on PSI, visit www.psiengines.com.
