## Power Solutions International to Present at Upcoming Investor Conferences

WOOD DALE, Ill., May 2, 2013 (GLOBE NEWSWIRE) -- Power Solutions International, Inc. (OTCQB:PSIX), a leader in the design, engineering and manufacture of emissions-certified alternative-fuel and conventional power systems, today announced that it will be presenting at several investor conferences this month.

On Tuesday, May 7<sup>th</sup>, Chief Operating Officer Eric Cohen and Chief Financial Officer Daniel Gorey will present at the **Robert W. Baird 2013 Growth Stock Conference** at the Four Seasons Hotel in Chicago, Illinois. The formal presentation will take place at 12:20 PM CDT. The conference is invitation-only for Baird clients, but a simultaneous live webcast of the presentation will be available on the Investor Relations section of the Company's website at <http://www.psiengines.com>. The webcast will be archived on the Company's website for 90 days. Please contact your Baird representative for conference registration information and to schedule a meeting with the Company.

On Thursday, May 16<sup>th</sup>, Chief Operating Officer Eric Cohen and Chief Financial Officer Daniel Gorey will host investor meetings at the **Barrington Research Industrial & Business Service Conference** at the Four Seasons Hotel in Chicago, Illinois. The conference features a one-on-one and small group meeting format. The conference is invitation-only for Barrington Research clients, so please contact your Barrington representative for conference registration information and to schedule a meeting with the Company.

On Monday, May 20<sup>th</sup>, Chief Operating Officer Eric Cohen and Chief Financial Officer Daniel Gorey will host investor meetings at the **Brean Capital Global Resources & Infrastructure Conference** at Convene (formerly the Sentry Centers) in New York City. The conference features a one-on-one and small group meeting format. The conference is invitation-only for Brean Capital clients, so please contact your Brean representative for conference registration information and to schedule a meeting with the Company.

On Wednesday, May 29<sup>th</sup>, Chief Executive Officer Gary Winemaster, Chief Operating Officer Eric Cohen and Chief Financial Officer Daniel Gorey will present at the **Craig-Hallum Institutional Investor Conference** at the Marriott City Center Hotel in Minneapolis, Minnesota. The formal presentation will take place at 10:45 AM CDT. The conference is invitation-only for Craig-Hallum clients, but a simultaneous live webcast of the presentation will be available on the Investor Relations section of the Company's website at <http://www.psiengines.com>. The webcast will be archived on the Company's website for 90 days. Please contact your Craig-Hallum representative for conference registration information and to schedule a meeting with the Company.

### About Power Solutions International, Inc.

Power Solutions International, Inc. (PSI) is a leader in the design, engineering and manufacture of emissions-certified, alternative-fuel power systems. PSI provides integrated turnkey solutions to leading global original equipment manufacturers in the industrial and on-road markets. The company's unique in-house design, prototyping, engineering and testing capacities allows PSI to customize clean, high-performance engines that run on a wide variety of fuels including natural gas, propane, biogas, diesel and gasoline.

PSI develops and delivers complete .97 to 22 liter power systems, including the new 8.8 liter engine aimed at the industrial and on-road markets including; medium duty fleets, delivery trucks, school buses and garbage/refuse trucks. PSI power systems are currently used worldwide in power generators, forklifts, aerial lifts, and industrial sweepers, as well as in oil and gas, aircraft ground support, agricultural and construction equipment.
